EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at 10.00 am (WST) on 29 November 2011 at Seminar Room 3, University Club of Western Australia, UWA, M800, 35 Stirling Highway, Crawley, Western Australia.

The purpose of this Explanatory Statement is to provide information which the directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. ANNUAL REPORT

Section 317 of the Corporations Act requires director's report, the auditor's report and the Annual Report, including the financial statements to be put before the Annual General Meeting and the Constitution provides for those reports and statements to be received and considered at the Annual General Meeting. Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the reports or statements. However, Shareholders will be given the opportunity to raise questions on the reports and the statements at the Annual General Meeting.

The Company's 2011 Annual Report is available at www.kimberleyrareearth.com.au. Those holders that elected to receive a printed copy of the Annual Report will have received a copy with this Notice of Annual General Meeting.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

The Remuneration Report is contained in the Directors' Report section of the Company's Annual Report for the year ended 30 June 2011.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out remuneration details for each Director and each of the Company's executives named in the Remuneration Report for the financial year ended 30 June 2011.

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted. The vote on this resolution is advisory only, however, and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Chairman will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution that a further meeting is held at which all of the Company's Directors (other than the Managing Director) must go up for re-election. Voting on this resolution will be determined by a poll at the meeting rather than a show of hands.

Undirected proxies

Any undirected proxies held by the Chair of the meeting will not be voted on this resolution.

Accordingly, if you appoint the Chair of the meeting as your proxy, you should direct him how to vote on this resolution if you want your shares to be voted.

The same will apply if you appoint any other Director of the Company, any other of its key management personnel or any of their closely related parties.

Key management personnel of the Company has the same meaning as set out in the accounting standards and includes the Directors of the Company and those other persons having authority and responsibility for Planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2011. Their closely related parties are defined in the Corporations Act, and include certain members of their family, dependents and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF DR ALLAN TRENCH AS A DIRECTOR

Clause 11.3 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, and any Director not in such one third who has held office for 3 years or more (who is not the Managing Director) provided always that no Director (except a Managing Director) must retire from office.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation is eligible for re-election under clause 11.4 of the Constitution.

The Company currently has 3 Directors who are counted for the purpose of determining retirement by rotation and accordingly one must retire.

Dr. Trench retires from office in accordance with these requirements and being eligible, offers himself for re-election by shareholders as a director of the Company, with effect from the end of the meeting.

Dr Trench was appointed as a director on incorporation of the Company on 2 December 2010.

Dr. Trench is a geologist/geophysicist and business management consultant with over 20 years experience within the Australian resources sector across a number of commodity groups including gold, copper, nickel, oil and gas and LNG.

Dr Trench commenced his career as an academic at Oxford University before moving to Australia on a Royal Society Research Fellowship. After a period at the University of Western Australia, he joined WMC at their Kambalda nickel and gold operations applying geophysical methods to both exploration and underground mining opportunities. Dr. Trench spent five years with WMC including as Exploration Manager in the Leinster-Mt Keith region. He then managed a number of exploration companies before joining McKinsey & Company as a management consultant. In his role at McKinsey, he advised a number of large international resources companies on strategy, organization and operations issues.

The Board unanimously recommends that shareholders vote in favour of the re-election of Dr. Trench as a Director.

4. RESOLUTION 3– RE-ELECTION OF MR PETER ROWE AS A DIRECTOR

Clause 11.11 of the Constitution provides that a Director appointed during the year must retire from office at the next annual general meeting and is eligible for re-election at that annual general meeting.

Mr. Rowe retires from office in accordance with these requirements and being eligible, offers himself for re-election by shareholders as a director of the Company, with effect from the end of the meeting.

Mr. Rowe was appointed as a Director on 21 January 2011.

Mr. Rowe is an engineer with recognised international experience gained over a 35 year career, based mainly in Australia and South Africa. He has managed complex large scale mining and metallurgical operations and projects. Previously, Mr. Rowe was the Project Director of the Fimiston Expansion (Kalgoorlie Superpit), General Manager of the Boddington Gold Mine and of the Boddington Expansion Project and Managing Director of Bulong Nickel. In 2004 he headed up AngloGold Ashanti Australia before moving to Johannesburg where he served as an Executive Vice President for AngloGold Ashanti Limited until his retirement in 2009. Mr. Rowe also undertakes advice pertaining to the processing of rare earth oxides to other companies.

The Board unanimously recommends that Shareholders vote in favour of the re-election of Mr. Rowe as a Director.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF INCENTIVE OPTIONS TO EMPLOYEES

5.1 General

As announced on 19 July 2011, the Company allotted and issued 2,500,000 Incentive Options to Tim Dobson, then Chief Executive Officer of the Company, and Mr Geoff Collis, General Manager - Exploration and/or their respective nominees on the terms and conditions set out below.

The Incentive Options have an exercise price of 30 cents per Incentive Option and an expiry date of 30 June 2014.

Tim Dobson was subsequently appointed as Managing Director of the Company on 1 October 2011.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's members subsequently approve it.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 2,500,000 Incentive Options issued on 19 July 2011 (**Ratification**). By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% threshold set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.2 Technical Information Required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the ratification:

- (a) a total of 1,500,000 Incentive Options were issued to Tim Dobson, Chief Executive Officer; and
- (b) a total of 1,000,000 Incentive Options were issued to Geoff Collis, General Manager - Exploration.
- (c) neither Tim Dobson nor Geoff Collis were related parties of the Company at the time the Incentive Options were issued;

- (d) the exercise price per Incentive Option is 30 cents and the Incentive Options have an expiry date of 30 June 2014. The Incentive Options vest in two equal tranches on 30 June 2012 and 30 June 2013 respectively;
- (e) each Incentive Option, once exercised, will convert into one fully paid ordinary share in the capital of the Company issued on the same terms and conditions as, and ranking equally (from the date of their issue) with, the Company's existing Shares;
- (f) the Incentive Options were issued in accordance with the agreed contract of employment between the Company and the respective employees;
- (g) the full terms and conditions of the Incentive Options are set out in Annexure A; and
- (h) the Incentive Options were issued for no consideration and as such no funds were raised during the issue.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – APPOINTMENT OF AUDITORS

In accordance with section 327A of the Corporations Act, the Board has appointed HLB Mann Judd as the Company's auditor to hold office until the Company's first annual general meeting.

Section 327B(1)(a) of the Corporations Act provides that a public company must appoint an auditor at its first annual general meeting. HLB Mann Judd resigns in accordance with sections 327 A&B of the Corporations Act and offer themselves for re-appointment as the auditors of the Company.

Resolution 5 seeks shareholder approval to re-appoint HLB Mann Judd to the office of auditor of the Company.

The Company has received:

- (a) a nomination under section 328B of the Corporations Act, from a member to be appoint HLB Mann Judd as the Company's auditor, a copy of which is annexed as Annexure B to the Explanatory Statement; and
- (b) a consent to act as auditor of the Company duly executed by HLB Mann Judd, a registered company auditor.

The Board unanimously recommends that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – ADOPTION OF THE KRE EMPLOYEE LONG-TERM INCENTIVE SCHEME

The Board has developed the KRE Employee Long-Term Incentive Scheme (**Scheme**) to enable the Board to provide appropriate performance incentives to employees (including Directors) of the Company and its subsidiaries, through ownership of Shares. The Board believes that this will align the interests of employees with the interests of the Company, for the benefit of all Shareholders.

Resolution 6 seeks Shareholder approval under exception 9(b) of ASX Listing Rule 7.2 to allow the issue of Shares under the Scheme as an exception to ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Exception 9(b) of ASX Listing Rule 7.2 provides that a company may make an issue of securities under an employee incentive scheme (such as the Scheme) if, within three years before the date of issue, holders of ordinary securities in the company have approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 6 is passed, the Company will have the ability to issue Shares to eligible participants under the Scheme over a period of three years without impacting on the Company's 15% placement capacity under ASX Listing Rule 7.1.

The Directors and employees of the Company have been, and will continue to be, instrumental in the growth of the Company. The Directors consider that the Scheme is an appropriate method to:

- (a) reward Directors and employees for their past performance;
- (b) provide long term incentives for participation in the Company's future growth;
- (c) motivate Directors and generate loyalty from senior employees; and
- (d) assist to retain the services of Directors and employees.

The Scheme will be used as part of the remuneration planning for executive Directors and employees. The Corporate Governance Council Guidelines recommend that executive remuneration packages involve a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the company's circumstances and goals.

The Scheme will also be used as part of the remuneration planning for non-executive Directors. Although this is not in accordance with the recommendations contained in the Corporate Governance Council Guidelines, the Company considers that it is appropriate for non-executive Directors to participate in the Scheme given the size of the Company.

No Shares have yet been issued under the Scheme.

A copy of the Scheme is attached in Annexure C to this Explanatory Statement.

Shareholder approval will be sought by the Company (if required under the ASX Listing Rules or the Corporations Act) where the Company invites a Director or associate to participate in the Scheme.

The Lender may instruct the Approved CS Facility to remove the Holding Lock if the Participant dies, acquires a Permanent Disability, or in the case of a takeover bid.

Instructions for Completing Proxy Form

1. A member entitled to attend and vote at an Annual General Meeting is entitled to appoint not more than two proxies to attend and vote on a poll on their behalf. The appointment of a second proxy must be done on a separate copy of the Proxy Form. Where more than one proxy is appointed, such proxy must be allocated a proportion of the member's voting rights. If a member appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes. A duly appointed proxy need not be a member of the Company.

2. If you wish to appoint the Chairman of the Meeting as your proxy, mark the box. If the person you wish to appoint as your proxy is someone other than the Chairman of the Meeting, please write the full name of that individual or body corporate in the space provided. If you leave both the box and this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a security holder of the Company. A proxy may be an individual or a body corporate.

Under recent changes to the Corporations Act, if your appointment of a proxy specifies the way the proxy is to vote on a particular resolution and your appointed proxy is not the Chairman of the meeting and at the meeting a poll is duly demanded on the question that the resolution be passed, then if either your proxy is not recorded as attending the meeting (if a record of attendance is made) or your proxy does not vote on the resolution, the Chairman is taken, before voting on the resolution closes, to have been appointed as your proxy for the purposes of voting on the resolution at that meeting.

3. You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction, unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate place. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

Under recent changes to the Corporations Act, if you direct your proxy how to vote on a particular resolution, the proxy need not vote on a show of hands but if the proxy does so, the proxy must vote as directed. If the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands. If the proxy is the Chairman, the proxy must vote on a poll, and must vote as directed and if the proxy is not the Chairman, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote as directed.

If the Chairman of the Meeting or any other member of the Key Management Personnel of the Company or a Closely Related Party of a member of the Key Management Personnel is your nominated proxy and you have not directed the proxy how to vote on Resolution 1 (Remuneration Report), that person will not cast any votes on Resolution 1.

4. Where a member's holding is in one name the holder must sign. Where the holding is in more than one name, all members should sign.

5. Where a Proxy Form of a corporate representative is lodged and is executed under a power of attorney, the power of attorney must be lodged in like manner as this Proxy Form.

6. Corporate members should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of Section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:

- 2 directors of the company;
- a director and a company secretary of the company; or
- for a proprietary company that has a sole director who is also the sole company secretary – that director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the Corporations Act, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who witnesses the affixing of a common seal and who is the sole director and sole company secretary of the company must state that next to his or her signature.

7. Completion of a Proxy Form will not prevent individual members from attending the Annual General Meeting in person if they wish. Where a member completes and lodges a valid Proxy Form and attends the Annual General Meeting in person, then the proxy's authority to speak and vote for that member is suspended while the member is present at the Annual General Meeting.

8. To vote by proxy, please complete and sign the enclosed Proxy Form and return by:

- (a) post to Kimberley Rare Earths Limited, GPO Box 2570, Perth, 6001; or
- (b) facsimile to the Company on facsimile number +61 8 9463 2499.

so that it is received not later than 10.00 am (WST) on 27 November 2011.

Proxy forms received later than this time will be invalid.
